

AMENDMENTS TO THE CLAIMS

1. (Original) Composition comprising, in combination:

(a) at least one marrow oil, and

(b) at least one borage oil.

2. (Currently Amended) Composition according to Claim 1, ~~characterized in that it~~ which also comprises at least one compound chosen from a nettle extract (c) and a soybean extract (d).

3. (Currently Amended) Composition according to Claim 1 or 2, ~~characterized in that~~ wherein the marrow oil (a) is an oil extracted from marrow pips and/or the borage oil (b) is an oil extracted from borage seeds.

4. (Currently Amended) Composition according to ~~Claim 1, characterized in that~~ Claim 2, wherein the nettle extract (c) is an extract of nettle roots, ~~advantageously in powder form.~~

5. (Currently Amended) Composition according to ~~Claim 1, characterized in that~~ Claim 2, wherein the soybean extract (d) is soybean lecithin or an isoflavone-rich extract, ~~advantageously in powder form.~~

6. (Currently Amended) Composition according to Claim 1, ~~characterized in that~~
wherein the marrow oil (a) is present in a concentration of between 20% and 40% ~~and~~
~~advantageously between 25% and 35%~~ by weight relative to the total weight of the composition.

7. (Currently Amended) Composition according to Claim 1, ~~characterized in that~~
wherein the borage oil (b) is present in a concentration of between 10% and 30% ~~and~~
~~advantageously between 15% and 30%~~ by weight relative to the total weight of the composition.

8. (Currently Amended) Composition according to ~~Claim 1, characterized in that~~
Claim 2, wherein the nettle extract (c) is present in a concentration of between 0 and 60% ~~and~~
~~advantageously between 35% and 55%~~ by weight relative to the total weight of the composition.

9. (Currently Amended) Composition according to ~~Claim 1, characterized in that~~
Claim 2, wherein the soybean extract (d) is present in a concentration of between 0 and 10% ~~and~~
~~advantageously between 0 and 5%~~ by weight relative to the total weight of the composition.

10. (Currently Amended) Composition according to Claim 1, ~~characterized in that~~
wherein the composition is formulated for oral administration.

11. (Currently Amended) Composition according to Claim 10, ~~characterized in that~~
wherein the composition is in the form of a wafer capsule, a gel capsule, a tablet, a granule, a
chewing paste, a gum, an oil or an oily jelly.

12. (Currently Amended) Composition according to Claim 10, ~~characterized in that~~
wherein the composition is a food composition or a food supplement.

13. (Currently Amended) Composition according to Claim 1, ~~characterized in that~~
wherein the composition is formulated for topical or rectal administration.

14. (Currently Amended) Composition according to Claim 4, ~~characterized in that it~~
~~can be~~ which is obtained according to the process comprising the maceration of the nettle
powder (c) in a mixture of marrow oil (a) and borage oil (b), ~~to which soybean lecithin is~~
~~optionally added.~~

15. (Previously Presented) A medicinal product, a dermatological agent, a
dermocosmetic agent, or a nutraceutical agent comprising the composition according to Claim 1.

16. (Previously Presented) A method for preventing or treating alopecia, acne,
hirsutism, seborrhoea, or body odor, comprising administering the composition according to
Claim 1.

17. (New) Composition according to claim 4, wherein the nettle extract (c) is in
powder form.

18. (New) Composition according to claim 5, wherein the soybean extract (d) is in powder form.

19. (New) Composition according to claim 14, which is obtained by additionally adding soybean lecithin thereto.

20. (New) Composition according to claim 6, wherein the marrow oil (a) is present in a concentration of between 25% to 35%.

21. (New) Composition according to claim 7, wherein the borage oil (b) is present in a concentration of between 15% to 30%.

22. (New) Composition according to claim 8, wherein the nettle extract (a) is present in a concentration of between 35% to 55%.
